If you have further questions about where your donation will go - feel free to contact us directly or look at our 990's and financials on [Guidestar.org](http://Guidestar.org). As a 501C3/non-profit organization, all donations are tax deductible and our finances are available for the public to see.

FACT: If 1/3 of our mailing list (that is one out of every three people), donated only \$5/month that would total more than \$100,000 this year. Imagine what kind of impact that support would make for CONTRA-TIEMPO: tremendous! Every single contribution helps us to not only survive but thrive as an organization, allowing us to make a greater impact with our work. Thank you for your support - Gracias!
